

SVC Research Question and Data Guide

Thursday, August 31, 2017

Several online training videos are linked to below. These videos are optimally viewed in full screen mode. Click the arrow icon in the lower right hand corner of the video player (see the screen shot below) to enter full screen mode.

GETTING STARTED

How can I find data on my specific program? What data elements and what contextual elements do I need to consider? What are some of the basic data elements that I'll be working with?

Video (SVC Login Required): [Link](#)

How can I make monitoring my program's data over time easier?

Video (SVC Login Required): [Link](#)

Should I try to look at other program's data?

Video (SVC Login Required): [Link](#)

RESEARCH QUESTIONS

Where can I find Program Review Data?

Tableau Server Program Review Folder (Tableau Server Login Required): [Link](#)

What is the retention rate of students who enter into my program?

Where do students drop out in my program?

What is the completion rate of students who enter into my program?

Tableau Dashboard (Tableau Server Login Required): [Link](#)

Video Guide to Dashboard (SVC Login Required): [Link](#)

What is the pass rate of classes within my program?

What are the demographics of the faculty in my program?

What are the demographics of the students in my program?

Tableau Dashboard (Tableau Server Login Required): [Link](#)

Video Guide to Dashboard (SVC Login Required): [Link](#)

What are enrollment levels in my program?

Tableau Dashboard (Tableau Server Login Required): [Link](#)

SVC Research Question and Data Guide

Thursday, August 31, 2017

What is the student to faculty ratio of classes within my program?

What is the fill rate of classes within my program?

Tableau Dashboard (Tableau Server Login Required): [Link](#)

Video Guide to Dashboard (SVC Login Required): [Link](#)

What is the employment rate of students who complete my program?

Tableau Dashboard (Tableau Server Login Required): [Link](#)

What is the transfer rate to a 4 year college of students who complete my program?

Tableau Dashboard (Tableau Server Login Required): [Link](#)

Feedback/Questions

What if my research question isn't listed in this guide?

What if there's a filter or breakout option that I'd like to see added to one of the existing dashboards?

Where can I ask a question about interpretation?

If you can't find your research question in this guide then please open the link below to send SVC's Research and Planning Department your question. Our department will then reach out to you to help you find the data you need.
